About your challenge

Welcome to the CME Institute private futures trading challenge for Tecnológico de Monterrey. In this trading challenge you will be competing against your peers by trading CME Group's E-mini S&P 500, Gold, and Crude Oil contracts.

Challenge Countdown

WED 11/04/20

2 DAYS | 0 HRS | 36 MINS | 51 SECS

Challenge Starts Wednesday at 12:30pm CT

Challenge Details

- Each participant will start with a \$100,000 trading account.
- Participants can only hold a maximum of 10 contracts for each product at any one time. You may have over ten contracts on your books as long as they are different contracts and you don't exceed your margin limits.
- Watch your margins, if your account balance falls below the margin requirements you won't be able to add more positions into your portfolio without freeing up capital.

Challenge Dates

Start: Nov 4, 12:30pm (CT)
End: Nov 5, 1:15pm (CT)
